

## INSTALLATION INSTRUCTIONS LSTLP SLIDING TANK TRAY

NOTE: Install LEFT and RIGHT roller rails before sliding tank tray into position.

- STEP 1: Open right door of grill cart. Install LEFT roller rail as shown using (3) 1/4-20 Truss head screws. Drive screws into rivet nuts located on the bottom of the grill cart.
- STEP 2: Install RIGHT roller rail as shown using (3) 1/4-20 Truss head screws. Drive screws into rivet nuts located on the bottom of the grill cart.
- STEP 3: Insert sliding tank tray assy by placing roller wheels of the tray over the roller wheels on the LEFT and RIGHT rails. Slide tray all the way inward until it reaches the backstop.
