

SEDONA BY LYNX™ SERIES

30" SEDONA BUILT-IN GRILL

WITH 2 STAINLESS STEEL BURNERS (L501)

L501 PRODUCT OVERVIEW

OPEN VIEW

- Variable power—two stainless steel burners combining to provide up to 46,000 BTU
- Dependable performance—direct spark ignition with battery backup
- Perfect clarity—halogen grill surface light
- Quick visibility—temperature gauge
- Easy opening—Lynx Hood Assist Kit
- Steadfast durability—heavy-duty welded construction eliminates gaps where grease can collect
- Ample capacity—733 square inches of cooking surface (508 primary, 225 secondary)
- Beautiful illumination—blue-lit control knobs
- Smooth opening—fluid rotation handle
- Premier platform—stainless steel grilling grates
- Understated luxury—brushed stainless steel finish on canopy, bullnose, and drip tray
- Installation into a combustible enclosure requires an insulated jacket accessory
