## LYNX OUTDOOR KITCHEN COLLECTION

### LUXURY LIVES OUTDOORS

This groundbreaking partnership unites two icons of American craftsmanship: Lynx, the original innovator in luxury outdoor cooking, and John Michael Studio, the foremost fabricator of handcrafted metal cabinetry. Driven by a shared commitment to design, durability, and culinary performance, the collaboration redefines the standard for elevated outdoor living.

### CRAFTED BY DESIGNERS & COVETED BY CHEFS

Fully compatible with all Lynx grills, side burners, refrigeration, and accessories, each cabinetry configuration is designed with a deep understanding of how outdoor kitchens are used. Form meets function for a truly chef-worthy experience.

# ENGINEERING & TECHNOLOGY

## UNSEEN STRENGTH. UNFORGETTABLE STYLE.

Built from robust 304 stainless steel, these cabinets are sealed with high-performance weather gaskets for maximum durability. Behind the sleek exterior lies unmatched structural integrity, designed to thrive through every season.

**LYNX OUTDOOR COLOR COLLECTION:** Select from classic stainless steel or a palette of signature powder-coated finishes by Lynx. Whether your style leans modern and minimal or bold and expressive, the look is entirely yours.

### RISE STYLING

A floating installation approach with panels lifted 3" off the ground, creating an elevated, airy look. Designed to adapt to natural grade shifts, this style delivers a modern edge with functional flexibility across varied terrain.

### FITTED STYLING

A grounded installation method where panels drop flush to the surface and connect with a seamless toe kick. Ideal for flat, level environments, this technique offers a monolithic and tailored aesthetic.
