LIVE THE LYNX LIFE

LYNXGRILLS.COM

It's more than a grill, it's a state of mind. Born in Southern California, and rooted in a mix of stunning geography, idyllic weather, stylish people, and healthy, adventurous cuisine. It's an environment that drives innovation, comfort, and ingenuity. A place that is the envy of a nation cursed to conform to the seasons.

It's only natural that a superior outdoor suite of cooking equipment would come from here. Where better to craft the perfect luxury lifestyle product?

More than just a place, more than just a grill, it's a way of life.

We invite you to live the Lynx Life.

LYNX PROFESSIONAL SERIES

The Professional Life is all about the details. It's luxurious living, and hand craftsmanship. It's foods prepared on the finest materials money can buy. Crafted by those who know their art. New technology designed and implemented by edgy thinkers, determined to elevate the culinary arts, no matter what's being prepared - from traditional BBQ to luxurious recipes.

The Lynx Professional isn't for show, it's a work of art. It's not about glamour, it's about cooking on a superior machine. One so well engineered and built, that it can seamlessly blend into an elegant outdoor room, but perform on par with its professional restaurant cousins.

A better life deserves a better grade of grill.

[LYNXGRILLS.COM](http://lynxgrills.com)

LYNX PROFESSIONAL SERIES FEATURES

Our unrelenting attention to detail and our passion for innovation have fostered the stunning features that define the Lynx Professional Series.

These features begin with meticulous hand-crafted excellence, and they culminate in powerful capabilities that give you precision control. They give you the power to perfectly finish a baseball cut of top sirloin, smoke a swordfish steak, slowly brown a rotisserie leg of lamb, or even char a leaf of lettuce without wilting the edge.

If you are accustomed to tasting the best that the world has to offer, then you have been waiting for the Lynx Professional Series.

SMART SERIES

A modern home interacts with you. Its temperature, lighting, security, and more are connected to your mobile device. Its music and mood can shift as you move room to room.

So, what if your mobile device could check on your grill from across the party—or choose a recipe with preset cooking times and settings?

It can. It’s beautiful and it’s brilliant—the Lynx Smart Series.

TRIDENT™ INFRARED BURNER

When you have refined taste, you recognize perfect control. You relish performance that you can restrain—and call upon at your own will. Traditional grill burners are hard to control, because they cook by heating the air around your food. That takes time to change.

A Lynx Trident™ Infrared Burner directly heats the grate beneath your food with 23,000 BTUs of intensive heat. With temperature control that's instantaneous, ranging from 300°-1000°, it's the method employed by the world's leading chefs, and now it's in your grill. This kind of control can cook a perfect salad—putting a delicious char on romaine lettuce without wilting a leaf. Now, just imagine what it does for tenderloin or tilapia.

Feel the precision of perfect control.

CERAMIC BURNER

The finest cuisine is original and inspired. But it’s never unpredictable. Traditional grill burners are inconsistent, because their metal changes as they cook. They suffer when extreme heat expands and contracts the metal, loosening bonds over time. Performance weakens as food residue clogs ports, or corrosive outdoor weather degrades the material.

The Lynx ceramic burner is made from cordierite ceramic, a material chosen for kilns and commercial ovens because of the temperatures that it endures. We tested these burners relentlessly, igniting them thousands of times, even when encrusted with sauce or encased with ice.

When we place these radiant gems at the heart of your Lynx Grill, we harness them to controls that let you precisely tune a power you haven’t felt before.

LYNX PROFESSIONAL SERIES FEATURES

SEAMLESS WELDED CONSTRUCTION

The Lynx workshop in California is a study in skill, a lesson in craft.

A welder pauses to focus on an unwelded seam... then, with one swift and steady stroke, he sweeps his torch across the seam—like painting a perfect line—and an unbroken edge emerges.

It’s over in a second, and that’s how it has to be done. We do not use mechanical fasteners. We form every sheet of metal into a solitary, seamless body of shimmering steel, free of gaps and seams where moisture could collect. Hand-tooled, precision welded, and highly polished by the skilled specialists in our shop, each and every grill is inspected before it leaves our floor. We examine details on every side, step back, and check reflections in every light, to ensure that your grill embodies Lynx—finished with invisible welds and hand-polished edges that shine like mirrors.

HEAT STABILIZING DESIGN

Nature’s tempests can arise in even in the most scenic places. Mountain resorts, beachside villas, and even inland estates are sometimes subject to great and turbulent gusts of wind.

Lynx has found that these gusts can affect typical grills, entering through the vents. They create swirls of temperature change beneath the grill’s hood, and subject tender cuisine to uneven cooking. Our research led us to develop an exclusive wind-deflecting fin along the back of our hoods.

It’s how we ensure that people in spectacular places can always create spectacular food.

HOT SURFACE IGNITION

Everything you cook with a Lynx can have a perfect finish.

And it can have a perfect start.

Lynx Hot Surface Ignition lights your grill with the push of a knob. It is weather-tested electronic ignition that simply works, every time, vaporizing the uncertainty and inconvenience of lighting traditional gas grills.

The Lynx Life deserves a perfect beginning.

It’s easy, from start to finish.

CERAMIC RADIANT BRIQUETTES

Perfect outdoor cooking begins with even heat.

Charcoal briquettes can form a steady glow of heat beneath your food—but traditional gas grill burners can create irregular hot spots, forcing you to continually flip and move your food to achieve an even finish.

With Lynx Ceramic Briquettes, your gas grill emanates a perfectly even heat across the base of your grill.

For your convenience, in five minutes, you can cleanse the briquettes by reversing the tray and raising the heat.

ROTISSERIE SYSTEM

A rotisserie unlocks a new realm of food. There is no better way to carefully and evenly cook generous meats like whole chickens and roasts, or baskets of vegetables, chicken wings, and sides.

The Lynx Rotisserie has a dedicated burner, selectable positions, and selectable speeds to ensure you have a full range of options. With the optional Lynx Rotisserie Basket, you can carefully cook smaller dishes and sides while preparing a main—you can even roast your own coffee beans. It's simply mesmerizing to watch the Lynx rotisserie steadily turn, summoning mouth-watering scents as it elicits a crisp exterior and succulent interior for lemon rotisserie chicken, red wine leg of lamb, a honey glazed ham, or a bourbon rotisserie pork roast.

The image lingers for a while, but the aroma is unforgettable.

SMOKER BOX

When a meal has been cooked with seasoned wood smoke, it has a flavor that's like nothing else.

It's something that must be experienced—a nuance of hickory, mesquite, pecan—the tastes are legendary, the aromas unmistakable.

That's why we provide our stainless steel smoker box, and why we make sure it's easy to use.

You don't always need to use it, but you always need to have the choice.

INTEGRATED ILLUMINATION

The Lynx Life continues all day long, all year round. And there's a mystical air that arises, just as the sun starts to set and the evening arrives. It's a beautiful time to grill... if you can.

Every Lynx grill incorporates elegant blue illumination emanating from each knob with a calm blue light. As you lift the lid, intuitive halogen illumination shows you exactly how your food is looking.

So, just check in on your food.

Then, get back to basking in the sundown grill aroma. It seems to steal an amber essence from the last of the sun.

EXPANSIVE GRILLING SURFACE

The Lynx Life is expansive and deep. It has space to move and relax, always has room for more, and never feels limited or confined.

So, we built our grills with more space in mind.

Our expansive grilling surfaces provide greater depth, extending to more than 20 inches deep on most models.

You might not need it all. It just feels good to have it.

LYNX HOOD ASSIST

Solid stainless steel gives our grills a sense of substance.

They feel firm at every touch, with a sound and an aura of permanence.

But you can lift the hoods with just a finger—each one is centrally balanced, and has a heat-treated assist system that makes it surprisingly weightless to open and close.

You'll probably do it twice—just to feel it again.

Go ahead. Everyone does.

IGNITION SYSTEM

The Flametrak™ safety system uses a sensor that can tell if a burner's flame is out. The sensor tries to relight the burner, then shuts off the burner's gas if there is no flame for 13 seconds. With a sensor on each burner, the Flametrak system helps provide grill safety whether a flame fails to ignite or a flame blows out.

NOTIFICATIONS

The Flametrak system tells grill users when it has taken action. The Flametrak indicator just above each burner knob lets grill users check the flame's status at a glance, rather than having to open the grill and look for a flame beneath the grates.

THE SCIENCE BEHIND THE SAFETY

The Flametrak system is based on flame rectification. Flame rectification is the effect where electrical current changes from alternating current (AC) to direct current (DC) as it passes through a flame. If the current does not change to DC, then the Flametrak switch knows the flame is out—and it relights or shuts off the gas. Flame rectification is proven technology that many water heaters and other devices use to confirm the presence of a flame.

THE LYNX ALL TRIDENT GRILL

In 2018, the Lynx All Trident Grill is the first grill to feature the Flametrak safety system. It sets the industry standard in performance and safety. The Flametrak safety system is patent pending.

FLAMETRAK INDICATOR ERROR

THE LYNX PROFESSIONALS

Experience counts.

We understand that, from the work that skilled artisans perform in our workshop each day. Experience is the only way to create the beautiful finishes, the flawless seams, and the precise alignments that you find in all our Lynx products.

And experience counts in the world of an outdoor kitchen. That’s why we consult with culinary and design masters to gather feedback, develop innovations, and follow the latest inspirations in flavor.

To stay inspired, visit lynxgrills.com and visit the **Lynx Life** menu to meet our Lynx Professionals and follow us on social media.

KENT RATHBUN

DALLAS, TX
IRON CHEF WINNER / IMOTO DALLAS / RESTAURATEUR

“As a chef I have been fortunate enough to work with many brands of equipment but when it comes to outdoor appliances, I find Lynx to be the Porsche of outdoor kitchen products.”

DONATELLA ARPAIA

NEW YORK, NY
IRON CHEF JUDGE / RESTAURATEUR

“My Lynx outdoor kitchen is beautiful, powerful and uses the latest technology. The grill cooks more evenly than any other grill and the made in America craftsmanship made it the only choice for me. There isn’t anything I can’t cook outside that I can inside. Our outdoor kitchen has become the heart of our home.”

MICHAEL SCHWARTZ

MIAMI BEACH, FL
JAMES BEARD WINNER / RESTAURATEUR

“I’m honored to be part of the Lynx Chef Panel and work with its innovative products. Grilling is one of the simplest ways to build flavor into a dish and has always played an important role in my approach to cooking.”

MATTHEW EADS

SPRINGFIELD, VA
GOURMET GRILLER / COOKBOOK AUTHOR

“I chose Lynx because they are the pinnacle of form, function, versatility and durability. The attention to detail that goes into every Lynx product is extraordinary with an product portfolio that allowed me to build my dream outdoor kitchen where the culinary possibilities are only limited by my imagination.”

THE LYNX PROFESSIONALS

DRES

LOS ANGELES, CA
DIRECTOR OF CULINARY DEVELOPMENT AT LYNX GRILLS /
CHEF-OWNER OF DINNER WITH DRES / THE CUT

“The thing that blows my mind every time I turn on a Lynx Grill is how insanely hot it can get in a short amount of time. Realizing how fast it responds to heat adjustments when cooling it down for slow cooking after searing, or quickly heating up for reverse searing, made me realize we can almost forget everything we know about traditional grilling. These machines are perfect.”

GLENN LYMAN

CHARLOTTE, NC
CHEF TO THE ATHLETES

“When I think about time spent around the grill, I recall a lifetime of experience and quality time with family and friends. I cherish the memories of hanging out around the grill, sharing stories, swapping recipes, and making plans for the next gathering. Imagining the great taste and smell of grilled food sparks up nostalgia I will never forget. Thanks to the championship quality of Lynx, I have a real home-court advantage in the outdoor kitchen.”

DAN BRUNN

LOS ANGELES, CA
PRINCIPLE AT DBA ARCHITECTURE — FOUNDER OF BRIDGE HOUSE LA

“I greatly appreciate the clean lines, and timeless design. Above all though, it’s married to performance. Lynx products embody the notion of form follows function, which is inherent in our design language. Also, there is a complete product portfolio, which makes it really easy to choose and outfit a truly integrative outdoor kitchen.”

JEFF VALENSON

LOS ANGELES, CA
INTERIOR DESIGNER

“Outdoor entertaining spaces are a large and important part of most, if not all, of our projects. Lynx provies a complete handsome product line of the highest quality to fulfill the wishes of even the most discerning clients. We are proud to call Lynx our go-to grill and outdoor kitchen provider whatever the project size or client needs.”

LYNX PROFESSIONAL BUILT-IN GRILLS

A built-in Lynx Professional grill is a crowning jewel, waiting to be set at the center of your outdoor kitchen.

LYNX PROFESSIONAL SMART SERIES

LYNX PROFESSIONAL SMART SERIES

A modern home interacts with you. Its temperature, lighting, security, and more are connected to your mobile device. Its music and mood can shift as you move room to room.

So, what if your mobile device could check on your grill from across the party—or choose a recipe with preset cooking times and settings? It can.

It's beautiful and it's brilliant—the Lynx Smart Series.

AUTOMATED COOKING

- MyChef™ operating system monitors cooking times and temperatures
- Learning algorithm allows Lynx Smart Series products to dial in your preferred doneness

SMARTPHONE CONTROL

- Monitor your food from anywhere through Lynx Smart Series apps
- Receive a notification when your attention is required
- Connects to your home's WiFi network

CONNECT WITH THE LYNX SMART COMMUNITY

- Upload your own recipes to the Smart Recipes database
- Save your favorites to your profile

UNPARALLELED SAFETY FEATURES

- Temperature sensors measure cooking temperatures so you have complete control over the action
- Receive alerts when your grill or smoker are being used
- Lynx Smart Series products automatically shut down if left inactive longer than 30 minutes

With the SmartGrill by Lynx briquette trays are gone! The All Trident grills are true high-performance machines with the best heat profile of any Lynx grill—and the SmartGrill app lets you make the most of them.

All Trident infrared burners provide the fastest-ever preheat, along with extremely responsive temperature control for searing precision impossible with other grills. Both three-burner all-Trident grills (42" and 36") offer three distinct temperature zones; the 30" SmartGrill offers two zones.

SMARTGRILL BY LYNX
INCLUDES ALL OF THESE FEATURES

- Three variable temperature Trident infrared burners (two burners on 30" model)
- Backlit blue LED control knobs and dual halogen grill surface lights
- Lynx Hood Assist absorbs 95% of the front hood weight
- Stainless steel grilling grates with limited lifetime warranty
- Dual-position internally powered rotisserie with heavy-duty, 3-speed motor and rear infrared burner with 16,000 BTU
- Freestanding models feature cart with folding side shelves
- Carbon fiber vinyl cover included with all models
- Voice activated, smart device controlled or manual
- iOS and Android operating systems supported
- Temperature sensors measure heat output at cooking surface
- Electromechanical valves automatically maintain preset surface temperature
- Cart mounted double side burner available Model LCB2-3
- Electronics nest in a weatherproof case under the grill
- Powered by a 1.5Ghz Intel® Processor, 64GB of storage, and 802.11g WiFi
- Includes all the features of our standard 42", 36", and 30" grills

NOTE: Must specify gas type—NG for Natural Gas or LP for Propane
NOTE: For planning and installation details, including dimensions, specification sheets, and CAD drawings please visit the Support/Product Documents section of the Lynx website: lynxgrills.com

Lower temperatures over a longer cooking time enable a smoker to create moist, tender results with a delicious smoky accent. Lynx Smart Sonoma Smokers make it easier than ever to achieve these distinctive results. They can smoke for up to six hours on one load of fuel. And their Lynx Smart technology maintains the optimum temperature throughout the cooking process—while also keeping you informed on the progress of your culinary efforts via your WiFi-enabled app.

SONOMA SMOKER BY LYNX
INCLUDES ALL OF THESE FEATURES

- 1000 sq. in. cooking surface
- Dual racks for food placement
- Temperature range 160°–350° F
- Smoke up to 6 hours without reloading woodchip fuel
- WiFi and app enabled allows you to check status of your food
- LCD control panel with real time information

NAPOLI OUTDOOR OVEN™

Gourmands around the world recognize the full flavors and evenly baked finish that can only be summoned from a stone oven.

The Napoli Outdoor Oven™ is a passport to another realm of outdoor cuisine. It can elicit the aromas of a rustic apple cake, rosemary braised lamb shanks, or a basil pesto flatbread. Finish your grilled salmon’s garlic sesame sauce into a shimmering glaze.

The oven can be built into your kitchen or placed on a countertop or freestanding cart. The Napoli Outdoor Oven™ is capable of baking at 700°F, and hides an authentic refractory mortar dome beneath its elegant exterior. Impressive in beauty and function, the Napoli will broaden your bill of fare.

LYNX NAPOLI OUTDOOR OVEN™ — COUNTERTOP OR BUILT-IN

PRODUCT OVERVIEW

- Flexible capacity—400 square inches of cooking surface
- Powerful performance—preheats to 700°F (200°F hotter than most indoor ovens) for authentic stone oven baking
- Responsive adjustment—variable infrared heat
- Flexible configuration—reversible top chimney vents toward the front or back
- Stunning details—hand-polished mirrored edges
- Beautiful illumination—luminous blue-lit control knobs
- Powerful intensity—with a 40,000 BTU capacity
- Uncompromised construction—specially formulated concrete refractory interior dome and cooking surface
- Careful convenience—cooking surface pulls forward for easy access to food
- Secure enclosure—removable front door
- Perfect clarity—includes interior lighting
- Convenient extra—Includes 12¼" x 20" Pizza Peel
- 30" W x 29" H x 28.5" D

ASADO COOKTOP

A grilled meal has no companion as decadent as one prepared on a flat-top grill—Yangzhou Fan fried rice, a fried pepper and onion topping, or just a mango salsa.

Awaken to the ease of orange crepes in the morning, greeting the day with a refreshing start in the cool outdoor air. The Lynx Asado Cooktop lets you expand your outdoor menu into Asian and fusion dishes that could only be made indoors before.

With a quick start and simple clean-up, it's tempting to call upon the Asado to add a highlight to every outdoor meal.

ASADO COOKTOP — BUILT-IN

PRODUCT OVERVIEW

- Precise power—two Trident™ Infrared Burners combining to provide up to 46,000 BTU
- Flexible capacity—495-square-inch dual-zone cooking surface
- Perfect surface—multi-layer grilling surface of aluminum sandwiched between two sheets of stainless steel
- Beautiful illumination—luminous blue-lit control knobs
- Reliable speed—Hot Surface Ignition system lights burners quickly and safely
- Quick clean-up—removable dual grease trays and removable grilling surface for easy cleaning
- Elegant protection—includes attractive stainless steel cover
- Steadfast durability—heavy-duty welded construction eliminates gaps where grease can collect

PROFESSIONAL BURNERS

Sometimes, the difference is in the details.

And details are the specialty of Lynx Side Burners, with small sizes and flexible placements to perfectly capture your side dishes and toppings. Grill summer squash with oil and rosemary, melt a lemon butter sauce for your mahi-mahi, or warm a peanut curry sauce for your chicken. Even spectacular entrées can use an extra touch.

PROFESSIONAL BURNERS

MODEL LSB1-3

LM15WINEL/R	15" 20 Bottle Wine Cellar

VENTANA STORAGE COLLECTION

The Lynx Ventana Collection of elegant outdoor storage solutions is named after the Ventana Wilderness, 240,000 acres along the Big Sur coast in central California that is renowned as a destination for restoration of the spirit and soul. This coast has been described as “the greatest meeting of mountains and sea”.

Combining beauty with functionality, smooth front facings, recessed handles, and handcrafted framing merge to form a sleek and contemporary balance to your Lynx outdoor kitchen. Dust and water resistant, each door and drawer softly closes itself as if to punctuate the elegance of an artistic statement. The Ventana Collection from Lynx proves that small things can make a big difference.

VENTANA STORAGE COLLECTION

MODELS LSA30-4 / LSA36-4 / LSA42-4

OUTDOOR KITCHEN STORAGE SYSTEM

- Generous depth—each drawer is 25.5 inches deep

- Extensive storage—the extended depth of 22 inches accommodates oversized grilling tools, towels, or wood chips
- Stable strength—rigid welded construction ensures strength and longevity
- Tidy enclosure—rubber trim around the frame helps block dust and water
- Quick cleaning—easy-to-clean stainless steel surface
- Elegant simplicity—designed with understated style
- Ample width—each drawer exterior is 19 inches wide
- Smooth reliability—fully extendable drawers on commercial stainless steel rollers
- Perfect completion—soft-close drawer slides
- Subtle convenience—flush-mounted reversible handle is there when you need it
- Perennial refinement—clean design eliminates places that dirt can collect

MODEL LMD-4

MODULAR STORAGE DRAWER

- Lasting beauty—high-quality stainless steel
- Complete access—full-extension glide-out drawer slides for access to the back of the drawer
- Variable configuration—drawers can be installed individually, or as two or three drawers stacked
- Consistent lines—the 3-drawer configuration matches the height of Lynx LDR Access Doors
- Optional expansion—a modular drawer kit (Model LMD-KIT) lets you stack drawers two or three high

MODEL L20TR-4

OUTDOOR TRASH & RECYCLE CENTER

- Quick clean-up—includes two removable receptacles for recycling and trash
- Subtle convenience—flush-mounted reversible handle is there when you need it
- Elegant simplicity—designed with understated style
- Tidy enclosure—rubber trim around the frame helps block dust and water
- Perennial refinement—clean design eliminates places that dirt can collect

MODEL LDW16-4

UTILITY DRAWERS - DOUBLE DRAWER

- Lasting beauty—high-quality stainless steel
- Complete access—full-extension glide-out drawer slides for access to the back of the drawer
- Variable configuration—drawers can be installed individually, or as two or three drawers stacked
- Tidy enclosure—rubber trim around the frame helps block dust and water
- Perfect completion—soft close drawer slides

MODEL LTA30-4

30" TRASH CENTER &
DOUBLE DRAWERS

- Quick clean-up—includes a removable receptacle for recycling or trash
- Convenient storage—with two stacked drawers
- Subtle convenience—flush-mounted reversible handle is there when you need it
- Perennial refinement—clean design eliminates places that dirt can collect
- Efficient space—combination trash center and storage system
- Easy fit—accommodates an LP gas tank
- Tidy enclosure—rubber trim around the frame helps block dust and water
- Quick cleaning—easy-to-clean stainless steel surface
- Elegant simplicity—designed with understated style, illuminated drawers & door space

SINKS AND COCKTAIL STATIONS

Outdoor kitchens create experiences, and inspire conversations, that don't happen anywhere else. To keep your attention on the things that matter, you need a simple place for rinsing, filling, or washing without stepping away.

SINKS AND COCKTAIL STATIONS

MODEL LSK30

30" SINK

- Generous space—basin is 26.75 by 16.5 by 10 inches, has a 3.5-inch drain with stopper and basket, and accommodates disposal units
- Thorough chilling—fully insulated with capacity for 30 pounds of ice
- Striking effect—blue lighting and switch
- Beautiful coverage—stainless steel cover included

MODEL LSK24

24" SINK

- Generous space—basin is 20.75 by 16.5 by 10 inches, has a 3.5-inch drain with stopper and basket, and accommodates disposal units
- Beautiful coverage—stainless steel cover included
- Thorough chilling—fully insulated with capacity for 24 pounds of ice
- Striking effect—blue lighting and switch

MODEL LSK18

18" SINK

- Convenient depth—basin is 18.75 by 16.5 by 10 inches, has a 3.5-inch drain with stopper and basket, and accommodates disposal units
- Beautiful coverage—stainless steel cover included
- Thorough chilling—fully insulated with capacity for 18 pounds of ice
- Striking effect—blue lighting and switch

MODEL LPFK

GOOSENECK PULL-DOWN FAUCET

- Flexible use—features a pull-down faucet head
- Lasting assurance—outdoor rated with a 10-year warranty
- Long-lasting design—carefully engineered to operate without washers
- Easy functionality—easily operates with a single-lever handle
- Flawless finish—solid stainless steel faucet
- Versatile configuration—install for hot/cold or cold-only water
- Elegant simplicity—designed with understated style
- Tested efficiency—compliant with California Energy Commission (CEC) standards

MODEL LCS30

30" BUILT-IN COCKTAIL PRO

- Quick convenience—built-in bottle opener with cap catcher
- Intuitive design—bottle boots chill juices, wines, and mixes while the speedrail front offers easy access to bottle storage
- Eye-catching illumination—blue lighting on the front panel
- Ready to chill—the insulated ice bin with sliding stainless steel cover keeps ice at the ready all day
- Intuitive convenience—integrated towel holder

MODEL LCS30F

30" FREESTANDING COCKTAIL PRO

Same features as LCS30 (left) plus:

- Quick expansion—two fold-down shelves
- Easy clean-up—doors include bottle shelves that are removable for easy cleaning
- Ready to roll—four commercial casters make these units easy to move
- Optional expansion—shown with optional pass shelf and halogen light (LCSPS)
- Beautiful coverage—stainless steel cover included

MODEL	DESCRIPTION
LSK18	18" Insulated Sink
LSK24	24" Insulated Sink

OUTDOOR HEATING

Shown: LEH39

MODEL LEH39

39" DUAL ELEMENT ELECTRIC HEATER

- Includes dual stacked control
- 4000 Watt, 240 Volt capacity
- 8-12' mounting height
- UL Listed for outdoor use
- 8 x 10' heat coverage
- Approximately 5000 hours of use per element

Shown: Dual Stacked Control on Mounting Plate (Mounting Plate not included)
Included with both LEH39 and LEH61

Shown: LEH61

MODEL LEH61

61" DUAL ELEMENT ELECTRIC HEATER

- Includes dual stacked control
- 6000 Watt, 240 Volt capacity
- 10-14' mounting height
- UL Listed for outdoor use
- 11 x 11' heat coverage
- Approximately 5000 hours of use per element

OUTDOOR HEATING

The Lynx Life awaits you all year round. Outdoor heaters help you extend those late-night conversations and early-morning reflections. Savor the crisp Fall and Winter seasons as you host celebrations or take time to contemplate.

OUTDOOR HEATING

Shown: LHPM-ELC

MODEL LHPM

POST-MOUNTED INFRARED OUTDOOR HEATER

- Proven durability—robust commercial design, built with stainless steel
- Intense performance—polished double surface reflector intensifies heat output
- Proven reliability—designed for improved wind resistance
- Comfortable configuration—remote wall switch operation with high/low heat selection
- Tailored fitting—available only with natural gas
- Copious comfort—innovative technology reduces the center hot spot and distributes heat more evenly
- Broad coverage—emits a large radius of heat
- Consistent assurance—direct spark ignition with automatic relighting
- Comprehensive configuration—Remote wall switch operation (LHPM-ELC switch kit included)
- 2-stage output from 53,000 BTUs to 46,000 BTUs

MODEL LHEM48

48" EAVE-MOUNTED OUTDOOR HEATER

- Lasting elegance—Lynx legendary all-stainless-steel welded construction
- Functional beauty—decorative safety grill provides wind resistance
- Expansive warmth—heats up to a 10-by-10-foot area, depending on location and height
- Independent freedom—starter is battery operated, with no outlet required
- Impressive control—includes an additional touch screen remote control
- Elegant simplicity—designed with understated style
- Versatile adaptation—operates with Liquid Propane or Natural Gas
- Consistent assurance—direct spark ignition with automatic relighting
- Adaptive configuration—includes a wireless wall-mounted switch with on/off/high/low settings
- Variable Output from 35,000 BTUs to 24,000 BTUs
- Temperature control from 45°– 90° F

ACCESSORIES

Lynx Accessories help compliment and complete your Lynx outdoor kitchen. Choose the final touches that complete your perfect picture. The details matter.

LYNXGRILLS.COM

MODEL LSTK

LYNX STEAK KNIFE SET

- Complete preparation—set includes six 5-inch steakhouse-style knives with a beautiful wooden case
- Magnificent quality—crafted from German stainless steel delivers perfect performance
- Elegant finish—polished black and stainless steel handles

MODEL RB8

ROTISSERIE BASKET

- Brilliant versatility—great for vegetables, chicken wings, roasting coffee beans and more
- Easy addition—compatible with any Lynx or Sedona rotisserie grill
- Flexible placement—works with both the rear rotisserie burner or standard grilling burners
- Quick clean-up—easy to clean and dishwasher safe

MODEL GP

GRIDDLE PLATE

- Amazing options—cook anything on your grill
- Generous space—11" x 15" cooking surface
- Thoughtful design—angled 5° slope front to rear to prevent spillage, and 2" high sides
- Stable placement—four feet firmly grip grates
- Quick clean-up—easy-to-clean stainless steel surface

MODEL LGRT

GRILLING TOOL SET

- Ready for action—three-piece tool set with additional basting brush attachment
- Intuitive design—spatula has a serrated leading edge that allows tool to slide easily under food
- Secure hold—tongs have a locking mechanism to grip food easily
- Versatile use—basting brush easily bastes juices onto food; attachment also works with cleaning tool
- Simple clean-up—cleaning tool helps eliminate baked foods from solid grates
- Comfortable grip—large, durable handles with ergonomic design for comfort, efficiency, and ease of use

LYNX SONOMA BLEND SMOKING CHIPS

- Delicious options—available in four different flavors: Pecan, Apple, Mesquite and Hickory
- Easy to use—no soaking required

WARRANTY INFORMATION

I. LIMITED LIFETIME WARRANTY

The stainless steel grill body, ceramic grill burners, cooking grates, Trident™ burner and rotisserie infrared burner are warranted to be free from defects in material and workmanship when subjected to normal domestic use and maintenance for the lifetime of the original purchaser. This warranty excludes surface corrosion, scratches, and discoloration which may occur during normal use. This warranty is limited to the replacement of the defective parts, with the owner paying a processing fee and all other costs including labor. Failure to perform required maintenance will void this warranty.

II. LIMITED FIVE-YEAR WARRANTY

The following grill parts are warranted to be free from defects in material and workmanship, when subjected to normal domestic use and maintenance, for a period of five (5) years from the original date of purchase; warming racks, spit rods, briquette trays, manifolds and gas valves. This warranty is limited to the replacement of the defective parts, with the owner paying a processing fee and all other costs including labor.

III. LIMITED TWO-YEAR WARRANTY

All other grill components are warranted to be free from defects in material and workmanship, when subjected to normal domestic use and maintenance, for a period of two (2) years from the original date of purchase. This warranty is limited to the replacement of the defective parts, with the consumer paying all labor costs.

IV. LIMITED ONE-YEAR WARRANTY

For a period of one (1) year from the original date of purchase, Lynx will replace or repair parts found to be defective at no cost to the original purchaser. This includes the cost of shipping replacement parts and, where necessary, service labor at prevailing local rates by a Lynx authorized service person. Service will be provided during normal business hours and must be authorized in advance by Lynx.

V. LIMITATIONS & EXCLUSIONS

- 1) This Warranty shall apply to products purchased and located in the United States and Canada. Products must be purchased in the country where service is requested.
- 2) Warranty applies only to the original purchaser and may not be transferred.
- 3) Warranty is in lieu of all other warranties expressed or implied and all other obligations or liabilities related to the sale or use of Lynx products.
- 4) Warranty shall not apply and Lynx is not responsible for damage resulting from misuse, abuse, failure to provide reasonable and necessary required maintenance, natural disaster, animals, and alteration of or tampering with the appliance, accident, hostile environment, flare-up fires, improper installation or operation, or an installation not in accordance with the instructions contained in this manual, or the local codes.

- 5) Lynx shall not be liable for incidental, consequential, special or contingent damages resulting from its breach of this written warranty or any implied warranty.
- 6) Some states do not allow limitations on how long an implied warranty lasts, or the exclusions of or limitations on consequential damages. This warranty gives you specific legal rights and you may have other rights which vary from state to state.
- 7) No one has the authority to add to or vary Lynx's warranty, or to create for Lynx any other obligation or liability in connection with the sale or use of its products.
- 8) Limited to the replacement of defective parts with the owner paying all other costs including labor.

VI. WHAT IS NOT COVERED: LYNX SHALL NOT BE RESPONSIBLE FOR AND SHALL NOT PAY FOR THE FOLLOWING

- 1) Installation or start-up, damages or problems caused by improper installation or use.
- 2) Service by an unauthorized service provider.
- 3) Damage or repair due to service by an unauthorized service provider or use of unauthorized parts.
- 4) Warranty does not apply to products installed in any commercial or non-residential application. Examples of excluded applications include, but are not limited to day care centers, schools, bed and breakfast centers, churches, private clubs, fire stations, club houses, common areas in multi-family dwellings, restaurants, hotels, nursing homes, food service locations and institutional food service locations. *Contact Lynx for Common Area Warranty.
- 5) To correct normal adjustments or settings, due to improper installation, commissioning or local gas supply properties.
- 6) Shipping and handling costs, export duties, installation, removal, or re-installation cost (RMA excluded).
- 7) Display models are sold “as is”. If you have purchased a display model, please be advised that it is sold “as is” and that it is subject to the following warranty exclusions: any exterior or cosmetic damage is non-warrantable; any missing components will be replaced at consumers expense; major handling damage to manifold, valve and ignition system will be serviced at consumer's expense; all other warranties will remain in effect.
- 8) The cost of a service call to diagnose complaint.
- 9) Modification to Lynx product will void related warranties

** Please refer to Accessory Care & Use for respective warranties.*
