Cooking system: All Trident™ Platform, 69000 BTUs
■ Impressive Heat Distribution—resulting in even cooking
■ Instantaneous Temperature Control—ranging from below 300 degrees to over 1000 degrees
■ Flare-Up Reduction—Up to 66% compared to traditional grilling systems
■ Independent cooking zones—3 burners
■ Generous capacity—1,200 square inches of cooking surface (855 primary, 345 secondary)
■ Slow-cooking excellence—with a dual-position rotisserie internally powered by a heavy-duty three-speed motor, and a rear infrared burner delivering up to 16,000 BTU
■ Indulgent extra—premium smoker box included
■ Beautiful illumination—luminous blue-lit control knobs
■ Steady performance—heat-stabilizing design
■ Reliable speed—Hot Surface Ignition system lights burners quickly and safely
■ Perfect clarity—dual halogen grill surface lights
■ Quick visibility—temperature gauge
■ Easy opening—Lynx Hood Assist
■ Smooth movement—fluid rotation handle
■ Premier platform—stainless steel grilling grates
■ Steadfast durability—heavy-duty welded construction eliminates gaps where grease can collect
■ Open options—available in Natural Gas and LP
