These 8 Over-the-Top Grills Actually Exist

JUNE 2, 2014 / WRITTEN BY ROCHELLE BILOW

[This 54" grill from Lynx](#) comes equipped with a 1,555-square-inch cooking surface, dual halogen surface lights, "control illumination with blue LEDs," and ceramic briquettes. Oh, and a fluid rotation handle, because how can it not?

It'll set you back: \$8,299

You need it if: You know what a fluid rotation handle is and does.
